La demande de création de contenu s'est rapidement étendue au-delà de la simple création de contenu CRM. Afin d'améliorer notre référencement naturel, nous avons commencé à créer un nouveau blog sur un mini-site dédié. Cette initiative permettra de fournir des informations pertinentes et engageantes à notre public cible, tout en renforçant notre présence en ligne et notre autorité dans notre domaine d'expertise.

The screenshot shows the homepage of the Free2move blog. At the top, the Free2move logo is displayed with the tagline "Car Mobility. Hassle-free. All Inclusive." Below the logo, there are links for "US", "FRANCE", "SPAIN", and "GERMANY", along with a user profile icon and a "Book now" button. The main visual is a woman wearing a hat, holding a map, with the text "Free2move Blog" overlaid. A "Subscribe to our Newsletter" button is visible. Below the main image, there is a navigation bar with categories: "What's New", "Opinion", "How to", "Best Deals", "Services", and "Coffe Break". The "What's New" section features a thumbnail of a white Corvette and the text "February car of the month: 2023 Corvette Z06". The "Services" section features a thumbnail of a black SUV.
